

End of Software Support for EOS 4.20

Date: June 30, 2020

Software Version: EOS 4.20

Description:

The Arista EOS Life Cycle policy defines a 36 month lifecycle for each major release train. The EOS 4.20 software train will reach the 36 month timeline on November 21st, 2020 . At that time, EOS 4.20 will be considered End of Support with no further official software support on this version from Arista. This notice is intended to serve as a reminder of this upcoming event. Customers running EOS 4.20 should work with their Arista sales team to discuss possible upgrade options. In addition, a general EOS upgrade recommendation can be found at: [Software Downloads page](#).

For more information about Arista's EOS/EOL policies and/or to obtain an explanation of terms used in this announcement, please refer to the [Arista Product Life Cycle Policy](#).
